

# Newspaper and Magazine Distribution

## With the reader the next day: the next-day-service in the high-speed network (SLN).

Regional daily newspapers which are printed in the early hours of the day of publication, in particular, can be delivered on the same day. In this case, you post the press products at agreed post offices in the destination area at defined latest posting times.

## Daily press items: the same-day-service.

Regional daily newspapers which are printed in the early hours of the day of publication, in particular, can be delivered on the same day. In this case, you post the press products at agreed post offices in the destination area at defined latest posting times.

## We are there for you wherever you are.

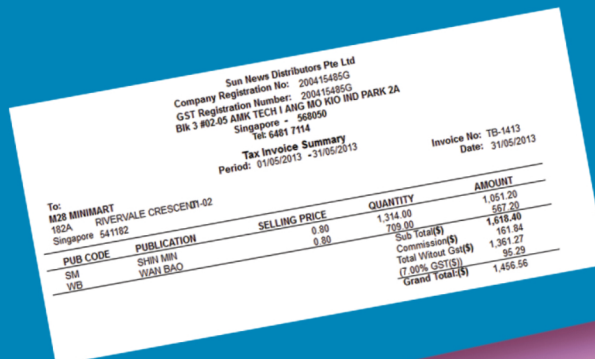

Our customer advisers in your vicinity will be happy to assist you with any other questions you may have on the topic of Press Distribution. We will send you the necessary contract documentation on request or arrange a personal consulting appointment with you.

The sales team at Opus Software Solutions Post is looking forward to a great collaboration.
